Copies of the listed materials are enclosed. Applicants do not concede that the identified materials, or any of them, constitute prior art within the meaning of the United States patent laws. Applicants believe the non-English-language documents may be relevant at least because cited in the International Search Report for the PCT version of the above-referenced application.

Applicants are submitting this paper within three months of the filing of the application and accordingly believe no fee is due. Alternatively, Applicants submit this paper before receipt of an Office Action concerning the merits of the invention claimed in the application and thus, for this reason, believe no fee is due. See 37 C.F.R. § 1.97(b). However, if

Applicants' beliefs are mistaken, the Assistant Commissioner is authorized to debit deposit account No. 11-0855 for any such fee presently due.

Respectfully submitted,

OF COUNSEL:
